## ABOUT THE BAND

Comprised of LA music veterans, Stevie and the HeartRockers are led by the passionate and soulful duo Cynthia Romo (Stevie Nick's lead and bg vocals) AJ Mitchell (Tom Petty's vocals also on electric and acoustic guitar, harmonica.)

The group is rounded out by Hector Chaparro on bass, Tommy Jacob on (keys and bg vocals), Robert Guastini (lead guitar/ bg vocals), John Licali (drums/bg vocals), and Richard Flamenco (2nd drums)

This band has come together to celebrate what we believe to be, two of the best and most loved artists throughout the decades. Our intention is to bring the spirit of Stevie Nicks - "The Gypsy" - and the beloved Tom Petty together and rejoice in their deep friendship and musical collaboration. Their wonderful work together has brought us so much joy, love, and happiness. We have come together to bring the songs that make our hearts soar!
