STEVIE & THE HEARTROCKERS

General Performance Rider | Public booking overview

About this document. This is the general, website-ready rider for venue and promoter review. A finalized event-specific rider and agreement will be supplied during booking and production advance.

STANDARD 7-PIECE LINEUP

Cynthia Romo - lead vocals | Brian Dunn - lead guitar / vocals
Adam Vogt - bass / vocals | Ron Mendoza - keyboards
Larry Paschall - drums / vocals | Linn Homes - background vocals
McKail Seely - background vocals

PRODUCTION & STAGE

• Provide a professionally operated sound system appropriate for the room or outdoor audience, suitable stage space, stable electrical power, and safe equipment access.

• Provide six vocal microphone positions, monitoring, and instrument inputs according to the accompanying Technical Rider and Stage Plot.

• All backline, drum kit availability, technical substitutions, and artist-supplied equipment must be confirmed in advance with the band.

SCHEDULE & ACCESS

• Venue and band will confirm load-in, soundcheck, performance times, parking, equipment access, and load-out before the event.

• A safe, secure area for musicians and equipment is requested. No band equipment may be moved, unplugged, or used by others without permission.

BOOKING & TECHNICAL COORDINATION

For availability, bookings, and performance details, use the **BOOK THE BAND** inquiry form at **stevieandtheheartrockers.com**. Brian Dunn coordinates sound and technical advance on behalf of the band; Cynthia Romo retains final performance approval.

Private booking details: Performance fees, deposits, payment instructions, hospitality arrangements, access privileges, and final contract terms are provided directly to the venue. They are **not** part of this public website version.

This public summary is for preliminary planning only; it does not replace a signed booking agreement.
